

Financial Peace University is a biblically-based small group study that will teach you how to beat debt, build wealth, and give like never before!

With video teaching by Dave Ramsey, well-know TV/Radio finance "guru" and New York Times bestselling author of *The Total Money Makeover*, plus financial tools that will help you every step of the way, this program will make a big difference in your life AND your future!

- You're praying you'll win the lottery before retirement.
- Stocks, bonds, and mutual funds are still a mystery to you.
- And MOST IMPORTANTLY - you want to know what God says about money and use His word as a guide to set your financial house in order!
